

Welcome

Dear Friends,

Welcome to First Baptist Church! We are glad that you have chosen to worship with us. I hope this guide will help you find your destination here at our church. If you still encounter difficulties finding your location, please ask anyone and we would be happy to help.

These room numbers and locations are important but they represent so much more. They represent rooms where Scripture is studied and friendships are made. We hope that God will revolutionize your life through the Bible and wonderful Christian friendships. I trust you will find a place to develop and grow in faith in Jesus.

The Bible tells that God loves us and offers a wonderful plan for our lives. God's plan is always fulfilled in a local body of believers. The church is a place where strength can be drawn and faith can be developed. Please find an evangelical church where you can receive that strength and grow your faith. This guide may help you find your place within the building that houses First Baptist Church, but for all of us, the ultimate destination is in a relationship with God's Son, Jesus. May God bless you as you journey through this building and as you journey through life.

In His Love,

Senior Pastor
